

To whom it make concern:

Please reject NAB's petition 04-160. I like that fact the XM has traffic and weather, I listen to it all of the time. I pay for it and I want to keep it. It should not be up to the National Association of Broadcasters to dictate what you are permitted to hear, it should be me. XM is a paid service that I pay for and I should have the right to choose what I want to listen to, not someone else.

I urge you again, to reject the NAB's petition 04-160. It is my choice, not theirs.
